

Primary Summer 2020 ALLERGY AWARE Menu

- The 'gluten free' rice crispies used in the chocolate and vanilla dessert crispy bars contain a small amount of barley malt extract so 'Barley' is displayed on allergen reports, however the rice crispies used are 'gluten free' per the UK standard (gluten is less than 20 parts per million) and suitable to serve to customers following a gluten free menu
- SD = Special Diet, GF = Gluten Free
