

The Friendship Tree

WE ARE ALL DIFFERENT, OUR DIFFERENCES MAKE US UNIQUE AND SPECIAL. WE ARE ALL AS IMPORTANT AS EACH OTHER AND DESERVE TO BE SHOWN KINDNESS AND RESPECT.

1. Plant the seeds of friendship by introducing yourself!
2. Ask another child their name and what they would like to be called.
3. Invite them to play a game at playtime.
4. Share things about you that you might have in common with them!
5. Ask them what they enjoy doing...maybe you can learn from them. Listen.
