

<p><u>English</u> We will be revisiting all of spelling, punctuation and grammar from the previous 2 years and applying it through different contexts using oracy as a tool to support this.</p> <p>Through animations we will be writing some imaginative narratives and enjoying publishing and sharing our work.</p> <p>Reading will continue to be taught through whole class texts where we will comprehend and share our thought through oracy.</p>	<p><u>Maths</u></p> <p>This half term we will continue our learning on mass, capacity and volume. This will then move onto statistics and position and direction.</p> <p>We will continue to practise our fluency of the 2,5 and 10 times table and their corresponding division facts.</p>	<p><u>Music</u></p> <p>This half term, we will be continuing to explore pitch, tempo and dynamics. They will then apply this to improvising simple question and answer phrases, by singing and playing untuned percussion.</p> <p><u>PSHE</u> Through our SCARF lessons we will learn about growing and changing. Thinking about how our bodies and minds change.</p>
<p><u>History</u></p> <p>This half term, we will be using pictures, photographs and artefacts to find out more about Seaside Holidays in the past. They will then use their knowledge to compare them to modern day and consider the cause and effect of these changes.</p>	<p>Summer Term 2</p> <p><u>Beside The Seaside</u></p> <p>Year 2</p>	<p><u>Computing</u> In computing the children will be using scratch to create a program using their own design. The children will do this by predicting, changing and designing a sequence of commands.</p> <p><u>RE</u> We will be looking at people who have inspired faith and how different religions choose to talk to their god.</p>
<p><u>Art</u> The children will be exploring skills of texture and pressure when drawing self portraits. They will also learn that the human face is in three parts.</p>	<p><u>PE</u></p> <p>On Monday and Wednesdays children will continue to develop their sending and receiving and target game skills.</p> <p>They will work individually, in pairs and in small groups. They will learn to discuss, plan and reflect on ideas and strategies, with the opportunity to show honesty and fair play.</p>	<p><u>Science</u></p> <p>This half term we will be looking at animals having off springs that grow into adults.</p> <p>We will be revisiting habitats and looking at the sea as a macrohabitat- identifying plants and animals that live there.</p>
<p><u>DT</u> In DT we will be designing and producing a moving vehicle. They will work safely to mark and cut out materials.</p>
