19th October 2015

Dear Parents/Carers

Early Bird Club Provision

Thank you to everybody who replied to our survey regarding Early Bird Club. We received 32 replies to the questionnaire and after assessing the results we would like to trial this for the coming half term starting on Tuesday 3rd November through to Friday 18th December 2015.

From this date the Early Bird Club will start at 7.30am and the children will be offered a breakfast of cereals, or toast with a drink for the current cost of £3.50. Breakfast will be offered from 7.30am to 8.10am.

At this moment there was not enough interest to justify us running an afterschool club, but we will keep this under review.

Yours sincerely

Jane Phillips
